Dear Chairman Morabito,

It is with pleasure that I take this opportunity to express my support for the City of Pismo Beach, in their attempt to secure a \$115,000 grant for the construction of a one-mile Coastal Trail between the cities of Pismo Beach and Grover Beach.

The project would link the beach boardwalk at the Pismo Beach Pier to the primary beach access point in the City of Grover Beach, thus enhancing public access and protecting sensitive dune habitat. The Conservancy funds would be directed specifically to renovating the existing pedestrian bridge crossing and walkway at Pismo Beach in order to provide safe and attractive pedestrian access along the trail.

As a member of the Coastal Conservancy and Senator of this district, I could not be more supportive of this project. I am confident that it will be beneficial to the sensitive dune habitat and continue to be enjoyed by Californians and tourists. I strongly encourage you to give their request for assistance every consideration.

Sincerely,

Re: Construction of Coastal Trail between the Cities of Pismo Beach and Grover Beach.

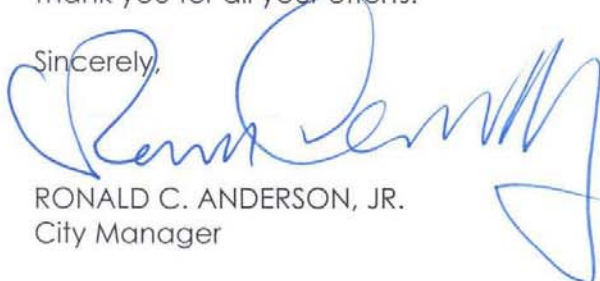

Dear Mr. Morabito:

I am writing to express my support for the City of Pismo Beach's request for \$115,000 for construction of the Coastal Trail between the Cities of Pismo Beach and Grover Beach.

Establishing a pedestrian boardwalk linking two of the most popular beaches at either end of Pismo Beach State Park will enhance public access and protect sensitive dune habitat. The project will also encourage visitors to walk to points of interest, thus reducing traffic congestion along city streets in this area that get quite crowded during our busy summer season.

Thank you for all your efforts.

Sincerely,

RONALD C. ANDERSON, JR.
City Manager
